A black and white photograph of a person fishing at sunset or sunrise over the ocean. The person is in silhouette on the right, holding a fishing rod. The sun is low on the horizon, creating a bright glow and reflecting on the water. The sky is filled with large, dramatic clouds.

The ocean and its familiar shores are like our school, which to many brings a moment of reflection. The ocean must change and flow on as will many students at the end of this school year. The time spent in these familiar halls can be compared with a stroll by this great mysterious ocean which provides a time to stop, to reflect and then to move on with a greater knowledge of life.

Paula,

I'm so glad we've gotten to be good friends this past year. It's been really great. She talks even to her about Robert, Winslow, Perry and others. They were really interesting! Our gym class wouldn't have been so "cool" if you weren't in it - I'll never forget 10th grade gym.

Paula, please call me during the summer, I'm sure we can find something to do - (if you know what I mean!) Ha! I was really looking forward to Saturday afternoon - damn it! Let's do it some other time! I'm sure it will turn out a Top rated riot! The old thunder! Ha! (You'll have to have a P.J. party when I bring your drink!) Oh well - as I was saying - you've got to be the neatest person I've ever known to be around you never change - and you're as "riot" as you are!

I guess we'll be seeing each other at Arena High - we might even get into the same class in a subject - and keep the teacher!

Good this summer - I'll say it and don't forget it - Best of Luck - and all love & affection - he is a friend of Winslow's! Friend

Love you!

A black and white photograph of a young woman with short, dark, wavy hair, smiling slightly. She is wearing a dark, possibly black, garment. The photo is set against a background of a yearbook page with handwritten blue ink text that reads "Best Luck to Nancy to be a great girl". The text is written in a cursive, slanted style across the top and right side of the page. The woman's face is partially obscured by the text on the right. The photo is a headshot, and the woman is looking directly at the camera. The background of the photo is a light-colored, textured surface, likely the yearbook page. The overall tone is nostalgic and personal.

Mrs. Krauss

Staff members hard at work.

Work on *THE HURRICANE*, the official yearbook of Virginia Beach High School, begins in July when advertisements are sold and ends in February when the book is sent to be published. The 1966 *HURRICANE* has a special sentiment this year, as it will probably be the last yearbook to be published in this school. Consequently, editor Laurie Fox and her staff hope to make this edition one the school will not soon forget.

The entire staff would like to express its gratitude for the guidance of Mrs. Krauss and Captain Hood in planning our yearbook.

Seahawks Boast

Rugged Virginia Beach Defense That Topped Eastern District Statistics Digs In Against Cox, While Seahawk Looks On Approvingly.

OUR SEAHAWKS SHOW PERFECTION IN '65

The same Virginia Beach football team that was not expected to win more than half of their games, could produce only five returning lettermen, and had to build an entirely new backfield all under a new coach, finished 10 consecutive games without a single defeat.

Our opponents found the Seahawk defense too tough to gain much on the ground and the secondary the best in the district on pass defense. Offensively, they found the hard-hitting Seahawk line too much to contain the running abilities of a trio of sophomore backs that gave Virginia Beach the best rushing team in the Eastern District in addition to its top scorer, Don Bradley. Such statistics, combined with all important school spirit, handed V.B.H.S. an impressive 8-0-2 record, blemished only by consecutive ties with city rivals, Bayside and Cox. Unfortunately, because only three conference games were scheduled, the Seahawks were ineligible for district or state championships. Only two minutes into its first season under Lew Breedlove, Virginia Beach fell behind Midlothian of Richmond, 6-0. However, the Seahawks rallied in the final quarter for a 18-8

victory. In the next two games, the Seahawks began to pick up unexpected momentum. A strong rushing offense began to supplement our tight defense as the Hawks easily rolled over Norfolk Academy and Suffolk by 25-0 and 25-6, respectively. Returning home for their fourth game, the highly favored Seahawks were stunned 6-6 by an inspired Bayside eleven. An enthusiastic homecoming game with arch-rival Cox was the setting of the second 6-6 deadlock in a row. In the last half of the season, the mighty Seahawks showed little mercy in polishing off the remaining five teams in order. Cape Charles fell 20-0. Next Northampton wound up on the short end of a 19-6 decision. The Seahawks then easily rolled over Forest Glen, 34-0. Once beaten Southampton had their troubles with the now unyielding Seahawks, who took their seventh victory 34-13 at the expense of the Indians. In the last game at Kellam, Virginia Beach tallied 19 points, while the Knights found it impossible to score against a team that had out scored their opponents by more than four to one. The green and white remained unbeaten!

Virginia Beach started off the '65-'66 basketball season with high hopes and quickly ran up four impressive wins. Floyd Wilson kept the team alive with almost a twenty-two point scoring average. Virginia Beach beat Boyside for its first win and gained its second win over Cox on a free throw by Steve Ervin with two seconds remaining in the game. After a defeat to league favorite Princess Anne, Virginia Beach won two more games over Boyside and Deep Creek. In its next outing against a strong Wilson team, Virginia Beach was edged out after overcoming an early deficit. Misfortune set in on the team when Floyd Wilson injured his ankle during the first quarter of the Kellam game and was lost to the team for the rest of the year. Hampered by such problems the squad plummeted to thirteen straight defeats.

The increasing participation and student support for wrestling in 1966 has rapidly made it a major sport. The season produced three victories in addition to impressive individual records by Keith Gore (11-1-2) at 120 and John Romano (11-3) at 180. Craig Hoel, Lee Entsminger, Bart Miller, and Ray Troutman supplied the experience for the Varsity team, which included six freshmen.

Though it was rather small in size, the '65 track team had one of the best crops of talent it has had in a long time. Every member of the team helped in the scoring, and many of them tallied consistently in the meets. Since there were not enough boys on the team, over half of them competed in two or more events. The Seahawk track team was led by Chris Hanson, Floyd Wilson, and Bob Taylor. Putting forth its best effort against Norfolk Catholic, the team lost by seven points. Constant bad weather hampered practicing, and therefore only three meets were able to be scheduled. The 1966 varsity track team should get off to a good start with nine of sixteen boys returning. Among those returning are Floyd Wilson, Bob Taylor, Melvin Mathias, Steve Ervin, Ernie Austin, Bob Nixon, John Evans, Reggie Ryals, and Donald Bradley.

With its new Group 1-A status, the golf team of Virginia Beach High School quickly established themselves as an Eastern District power in 1965. Behind a 13-1-1 record, second only to Churchland, the Seahawks continued to show their winning form in golf. The team finished 2nd in the district and placed 6th in

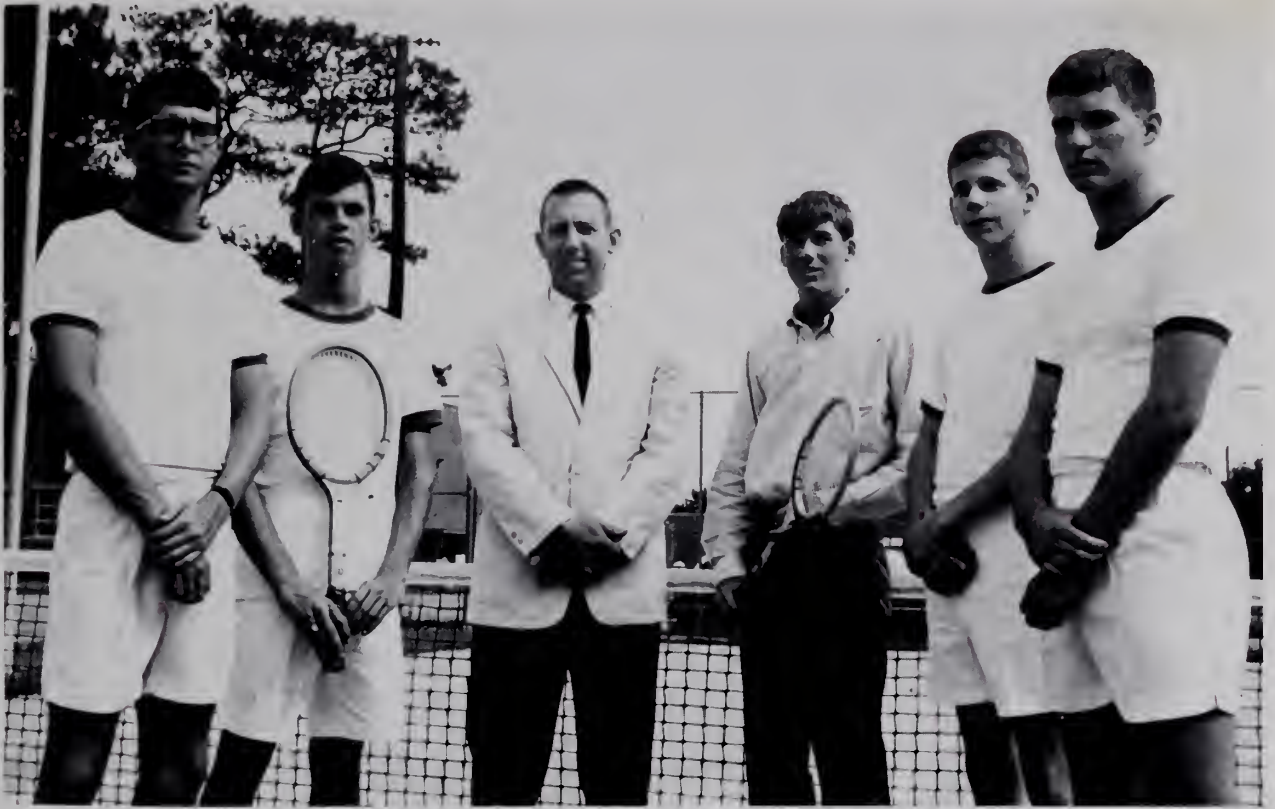

a tough field of 60 teams in the State Tournament. State Jaycee Champion Archie McDowell and the '64 Group II medalist Leslie Watson led a strong team composed of senior Barry Evans, Lane Agee, Mike Flynn, Mike Strickler, and Scott Thompson. Mr. Polizos piloted the outstanding season.

Tennis 1965

L. to R.: Donnie Johnson, Greg Cayce, Coach Coulthard, Jimmy Maher, Mike Beavers, Billy Doubt.

The 1965 tennis team produced one of the best seasons in Seahawk net history, while competing in Group I for the first time. Norfolk tennis powers, Maury and Granby, were the only opponents the Seahawks were unable to defeat. Lettermen Bill Daubt and senior Dannie Johnson, the No. 1 and No. 2 men respectively, combined 23 wins against only 4 losses in singles and doubles to pace the team.

The Seahawks, coached by Bob Coulthard, filled 8 out of 9 possible entries in the new Eastern District tournament. The No. 1 and No. 2 doubles teams and singles players Bill Daubt, Dannie Johnson, Chuck Maarer, Jimmy Maher, Ward Waad, and Mike Beavers were all seeded in the tournament, which was held at the College of William and Mary.

Playing its first season in the Eastern District, the Seahawk varsity baseball team managed to register two wins against their rugged competition. The reliable pitching arm of Max Wylie, one of the best this school has seen, and the timely hitting of Jimmy Cross, helped the Seahawks to win over Bayside and Granby. Heavily outmanned by such schools as Maury, Norview, and Granby, the Virginia Beach High School baseball team never gave up any of its spirit or pride. Losing five starters by graduation, this year's team will be built around returnees John Ortt, Rip McGinnis, John Wolfe, Vinny Loscialo, Gary McFarland, Winslow Stillman, Larry Whitehurst, Bobby Gregory, and Wayne Robertson.

J. V. Baseball

Front row, L to R: R. Black, S. Townsend, J. Simpson, E. Blair, M. Waller, J. Jahnsan. **2nd row:** R. Bishop, D. Ash, B. Matthews, B. Hines, J. Bauman. **3rd row:** P. Martin,

J. Strahkarb, M. Gregory, D. Entsminger. **Back row:** M. Ragan, P. Maore, S. Hendrix, Coach Shackelford, W. Rice.

The junior varsity baseball team took giant steps in their initial year. While winning the opener and losing six games by 2 runs or less, the boys gained valuable experience. Coached by Mr. Shackelford, the baby Seahawks displayed plenty of spirit. Buddy Matthews led

the club in most hitting departments, while Roberto Black was the mainstay of the pitching staff. With several eighth and ninth graders returning, the 1966 season should bring more success.

The baby Seahawks of 1965 provided plenty of action on the football field in addition to a fine winning season. Included in their 3-2-1 record were impressive wins over Norfolk Catholic, Norfolk Academy, and Suffolk. After leading rival Cox 6-0, the J.V.s were upset in the final 45 seconds of play, 12-6. With many experienced boys returning, Coach Keffe expects continued winning seasons for the J.V. Seahawks.

A heartbreaking loss to Cradock came in the fourth game after going five overtimes. Led by Staton's shooting and Armsworthy's rebounding the Eighth Graders squeaked one out over Kempsville Junior High, and then scored impressive victories over Carolton Oaks and Cradock.

Paula, I am glad you brought me at the slave sale, even though I had a great time that I had and I hope to see more of you in the future. Love, Robert!!

Dear Paula -

My fellow friend and once enemy! What
was long ago, but was really hated such
a time - Details omitted -

We have been through so much this
year that it would be impossible
to mention!!

Well, the class was something
else - The name, spirit was unbelievable
Then, the time we had - I am sure for
class and

And just as each wave hits the shore
It changes the shape and sand,
Never again to be completely the same.

We may only hope
That our year of '66

Will leave an impression.

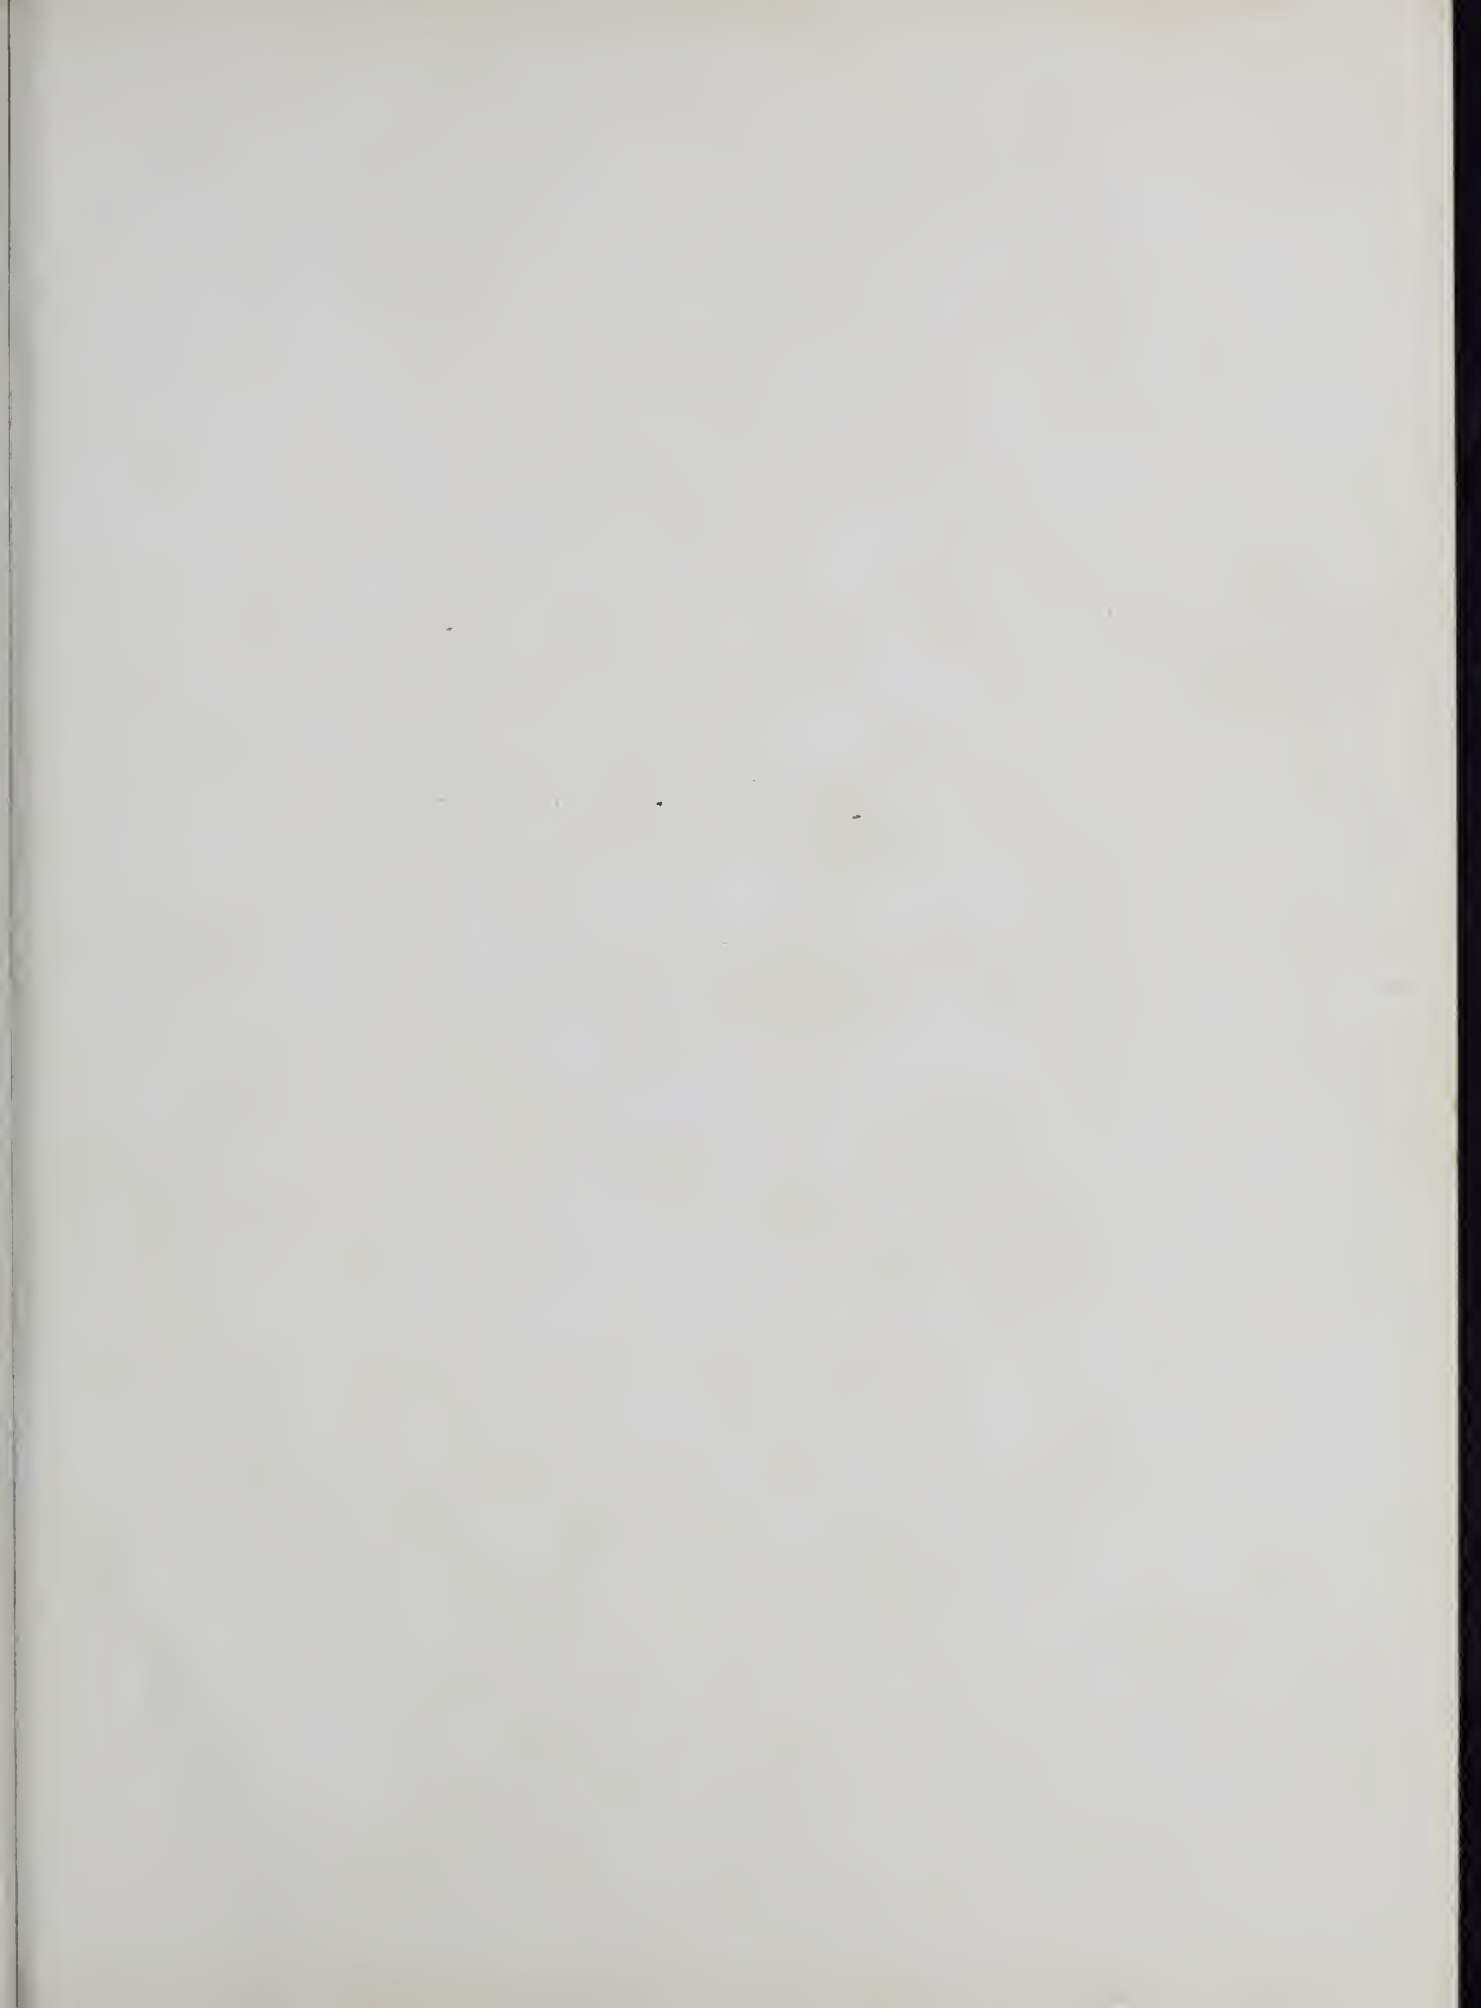

For all things, like the tide,
Must move on.

Dear Paula,

you are really a real cute girl.
It has been a pleasure getting to know
you better this year. I sure wish I
was as smart as you are in Geometry
it sure would save me from struggling
so much. Always stay as sweet as
you are. Good luck with Robert in
whatever you do.

Love Ya!

Sandy

Don't be put away for you
for waiting for Mr. Boyer that
in my opinion you are a
really "bitchy" girl. Don't raise
too much hell this summer.

Your sincerest wishes always
Ray Perkins.

Paula,

Hope you have better
luck than I have
been having. Be
good and have
a good time this summer.
See you around.

Mary.
